

## SOFTWARE SOLUTIONS

### 1. PLC Programming -

Omron, Messung, Mitsubishi, Delta,  
Siemens, Allen Bradley (AB), Unitronix

### 2. NI Lab View -

National Instruments (NI)

## APPLICATIONS

### PLC Programming

- Testing Machines
- Assembly Machines
- Intefacing Logic
- Protocol
- SPM's
- Press's
- Conveyor's

### LAB view (NI)

- Monitoring System
- Perfomance Testing
- Software Testing
- Vision System
- Simulation Software
- Motion Control System
- NI Card Calibration
- Load Cell Verification

...We are friendly

# NEIN AUTOMATION

*Inspired by Innovations*

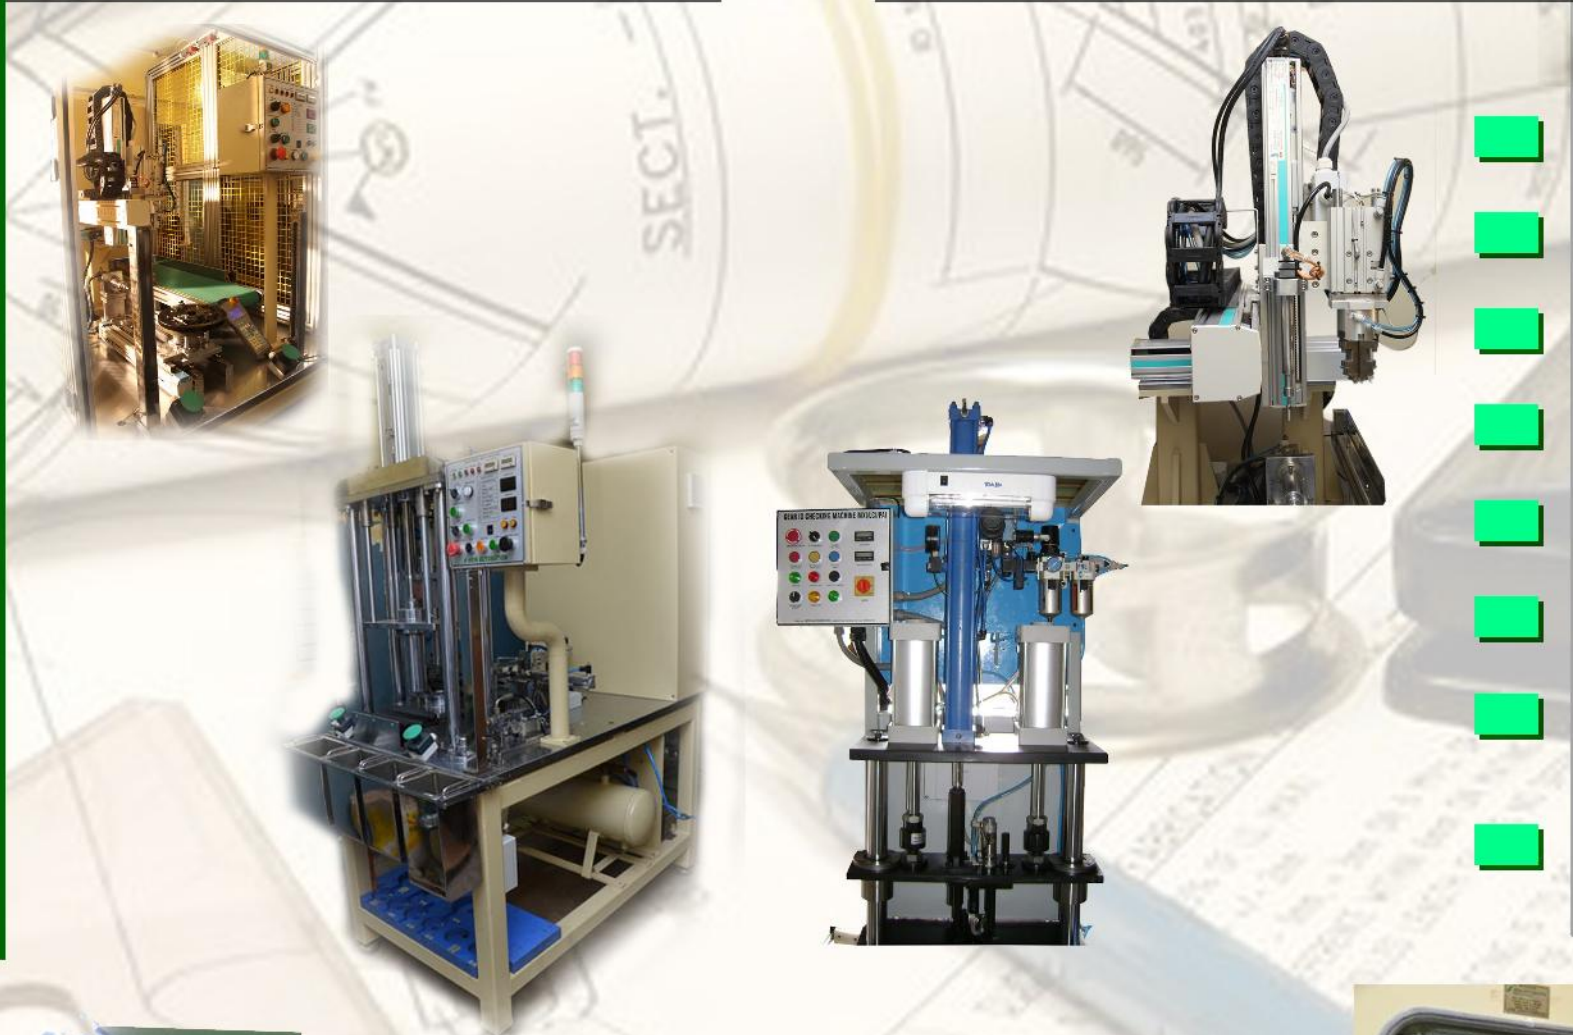

## AUTOMATION SOLUTIONS

## SUPPORT & SERVICE

-  SPM's
-  Assembly Machines
-  Leak Testing Machines
-  Hydraulic & Pneumatic Press
-  Pick & Place
-  Belt Conveyor
-  Auto Loader
-  Machining Fixtures
-  Conventional Drilling / Lathe Automation
-  Poka Yoke Fixtures

-  Control Panel Wiring
-  Conversion of relay Logic to PLC
-  NI Programming
-  PLC Programming
-  Sensor based Poka Yoke
-  Customised operation Panel
-  Pneumatic / Hydraulic Control Systems
-  Secondary Operation Machining Automation

-  *Nein Automation Serve For Customer Delight*
-  *Nein Automation Offer Invariable Choice To Make Decisions*

*Our unique promise is to deliver Accurate, Practical, Regularly guidance which is uniformiy high in quality work products to provide professional service for our customers. We inspired to build special purpose machines were we offer our sustained delegation to our customer which is reliable & most efficient.*
